

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the PHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the PHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the PHA policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits the PHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

HADCO Policy

HADCO uses a two-step application process. To be placed on the non-preference Section 8 waitlist the family will need to complete a pre-application.

Once the family reaches the top of the Section 8 waitlist, the family will need to complete a full application for HADCO to determine their eligibility.

A one-step process will be used when it is expected that a family will be selected from the waiting list within 60 days of the date of application. At application, the family must provide all of the information necessary to establish family eligibility and level of assistance.

Families may obtain application forms from HADCO's administrative office during normal business hours. Families may apply online at hadcor.org families may also request – by telephone or by mail – that an application be mailed to them via first class mail.

Completed applications must be returned to the PHA by mail, email, fax, or submitted in person during normal business hours. Applications must be complete to be accepted by HADCO for processing. If an application is incomplete, HADCO will notify the family of the additional information required.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each complete application received and make a preliminary assessment of the family's eligibility. The PHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

HADCO Policy

If the HADCO can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, HADCO will send written notification of the ineligibility determination within 10 business days of receiving a complete application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

Eligible for Placement on the Waiting List

HADCO Policy

HADCO will send written notification, if received by mail, fax or email of the preliminary eligibility determination within 10 business days of receiving a complete application.

HADCO will provide a written notification when a family submitted a complete application in person.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to date and time their complete application is received by HADCO.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The PHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

The PHA's HCV waiting list must be organized in such a manner to allow the PHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires the PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

HADCO Policy

HADCO will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program the PHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

HADO Policy

HADCO will not merge the HCV waiting list with the waiting list for any other program HADCO operates.

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, the PHA may elect to continue to accept applications only from certain categories of families that meet preferences or funding criteria.

HADCO Policy

HADCO may close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants.

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the PHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

HADDO Policy

HADCO will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted.

HADCO will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

Current Douglas County, Oregon Newspapers

Community Partners in Douglas County, Oregon

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

The PHA must conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires the PHA to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

HADCO Policy

HADCO will monitor the characteristics of the population being served and the characteristics of the population in HADCO's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

HADCO Policy

While the family is on the waiting list, the family must immediately inform HADCO of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a PHA request for information or updates, and the PHA determines that the family did not respond because of the family member's disability, the PHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

HADCO Policy

The waiting list will be purged every six months or as needed to ensure that all applicants and applicant information is current and timely.

To update the waiting list, HADCO will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in remaining on the wait list. This update request will be sent to the last address that HADCO has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and may be delivered in person, by mail, by email or by fax. Responses should be postmarked or received by HADCO not later than 10 days from the date of HADCO's letter.

If the family fails to respond within 10 days, the family will be removed from the waiting list and mailed an ineligibility letter.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 10 business days to respond from the date the letter was re-sent.

If a family is removed from the waiting list for failure to respond, HADCO may reinstate the family if it is determined that the lack of response was due to a HADCO error, or to circumstances beyond the family's control.

Removal from the Waiting List

HADCO Policy

If at any time an applicant family is on the waiting list, HADCO determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because HADCO has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding HADCO's decision (see Chapter 16) [24 CFR 982.201(f)].

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

HADCO Policy

HADCO administrates the following types of targeted funding:

Mainstream for Person with Disabilities

NED for Nonelderly Disabled

VASH for Veterans

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

HADCO Policy

HADCO will offer a preference to any participant family that has been terminated from its HCV program due to insufficient program funding.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the PHA's fiscal year. ELI families are those with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

HADCO Policy

HADCO will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, the PHA must notify the family [24 CFR 982.554(a)].

HADCO Policy

HADCO will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

Location applications will be available. Time frame in which to complete and return a complete application for all household members.

All documents that must be provided with the complete full application for each family member including information about what constitutes acceptable documentation

If a notification letter is returned to HADCO with no forwarding address, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address of record, as well as to any known alternate address.

4-III.F. COMPLETING THE APPLICATION PROCESS

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information, the PHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

HADCO Policy

If HADCO determines that the family is ineligible, HADCO will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If HADCO determines that the family is eligible to receive assistance, the PHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.
